**SKU:** EXC-1204-A1

**Categories:** [AHM Equipment](#)

### **Product Description**

The AHM AX-12C 13.5 HP mini excavator offers a perfect balance of power and comfort. It shields operators from weather, noise, and dust. This reduced tail-swing model excels in small spaces with minimal ground disturbance and is easy to transport. With a 69 in. digging depth and 10 feet radius, it's ideal for foundations, downspout lines, and electrical installations.
