Product Description

Champion 3500-Watt Dual Fuel Generator - 200966

Champion's powerful 3500-watt generator with electric start features Dual Fuel, allowing the 208cc engine to run on either gasoline or propane. Featuring Intelligauge, Volt Guard™ and Cold Start Technology, it provides up to 14 hours of run time on gasoline or 10.5 hours on propane.

FEATURES

Dual Fuel

Operate your 3500-watt portable generator right out of the box on either gasoline or propane, plus the unit holds 0.6-quarts of oil (included) and has a low oil shut-off switch

Electric Start

Power up the 208cc Champion engine with the handy rocker switch, battery included

Intelligauge

Keep track of voltage, frequency and run-time hours to easily monitor output and track maintenance intervals

Powerful

At 4375 starting watts and 3500 running watts on gasoline and 3950 starting watts and 3150 running watts on propane, trust Volt Guard™ to protect your generator from electrical voltage spikes

Champion Support

Includes 3-year limited warranty with FREE lifetime technical support from dedicated experts
