Product Description

Guardian 24KW Home Backup Generator with Mobile Link

Introducing the largest air-cooled generator on the market - Generac's 24kW is a big deal in a small package. Generac's commitment to continuous improvement, innovation, and technology is giving us the ability to bring more power to you. With Generac's new 24kW you can save up to \$8,000 in product and installation costs when compared to competitive output products while powering what is most important for your home or small business. The new 24kW Guardian unit packs the most power into a small package, taking up to 70% less space when compared to similar output products.

Features:

- **GENERAC'S G-FORCE ENGINE** - Are purpose-built, pressure-lubricated engines capable of handling the rigors of generator use, resulting in power that's more reliable and requires less routine maintenance than any competitive engine
 - **TRUEPOWER™ TECHNOLOGY** - Delivers best-in-class power quality with less than 5% total harmonic distortion for the clean, smooth operation of sensitive electronics and appliances.
 - **QUIET-TEST™ SELF-TEST MODE** - Runs at a lower RPM for a five or twelve-minute test, making generators significantly quieter than other brands, while consuming less fuel.
 - **GENERAC'S EVOLUTION™ CONTROLLER** - Features a multilingual LCD display that allows you to monitor battery status and track maintenance intervals to ensure your generator is always in top operating condition.
 - **TOUGH, DURABLE ENCLOSURES** - Our RhinoCoat™ powder-coated finish helps make corrosion-resistant aluminum perfect for all weather conditions.
-
